formidable agents: Darth Vader, the fearsome new Sith enforcer as remorseless as he is mysterious; and Tarkin—whose tactical cunning and cold-blooded efficiency will pave the way for the Empire’s supremacy . . . and its enemies’ extinction. Praise for Tarkin “Tarkin tells a compelling tale of mystery while revealing much about a character who has fueled debate among fans since 1977, as well as the oppressive regime he represents. [James] Luceno has proven once again that the villains of Star Wars are as much fun as the good guys.”—New York Daily News “Another home run in the new canon . . . This is the highest and best distillation of Tarkin stories, old and new, we’ve ever been given.”—Big Shiny Robot “A spectacular novel, with the intrigue, action, and profound characterization we have come to expect from the pen of Luceno . . . [Tarkin] provides a nuanced, multi-faceted anti-hero who is captivating, ominous, and calculating; in many ways, this is an origin tale of the Empire [and] a fascinating portrait of one of the more popular characters in the Original Trilogy. It may very well be one my favorite Star Wars novels.”—Coffee with Kenobi “A fascinating look at the pathos of one of the galaxy’s most criminally underused characters.”—TheForce.net From the Hardcover edition.
